Four Year at Russell Shape and Mold the Lives of Everyone

Teenage life, at times, is like one large jigsaw puzzle. Four delicate years from a young teenager to a young adult are pieced together by the education, activities, environment, and friendships with which everyone chooses to become involved.

Freshmen begin high school life as a scattered puzzle, wondering if they will fit into their foreign surroundings.

As sophomores they are gradually able to connect the corner pieces of their puzzle. It now becomes easier to see themselves as members of the Russell High Student Body.

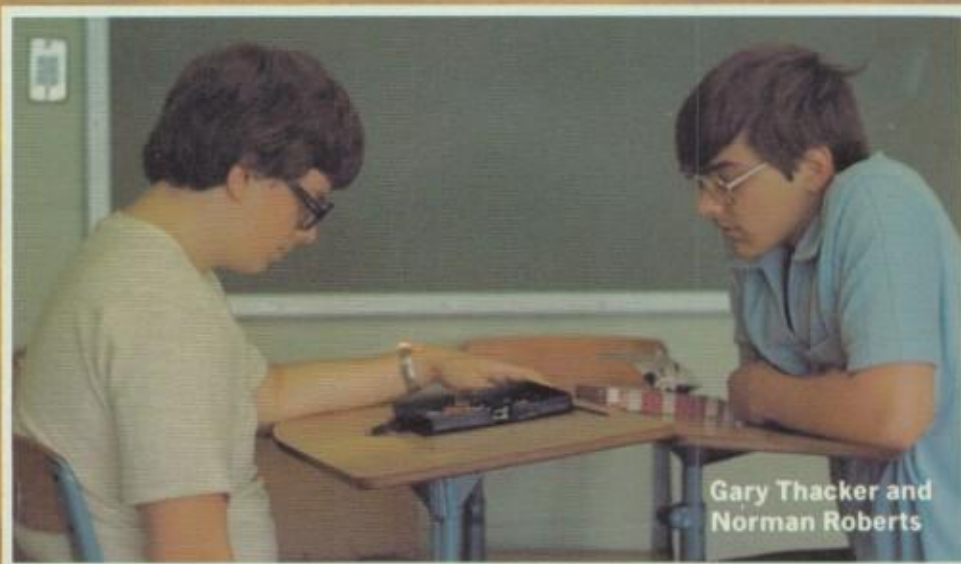

Juniors, although still not a completed puzzle, are now considered upperclassmen. This is their year of class rings, prom, and preparation for senior year.

As members of the 1980-81 graduating class, seniors have finally reached their goal and have completed their high school puzzle.

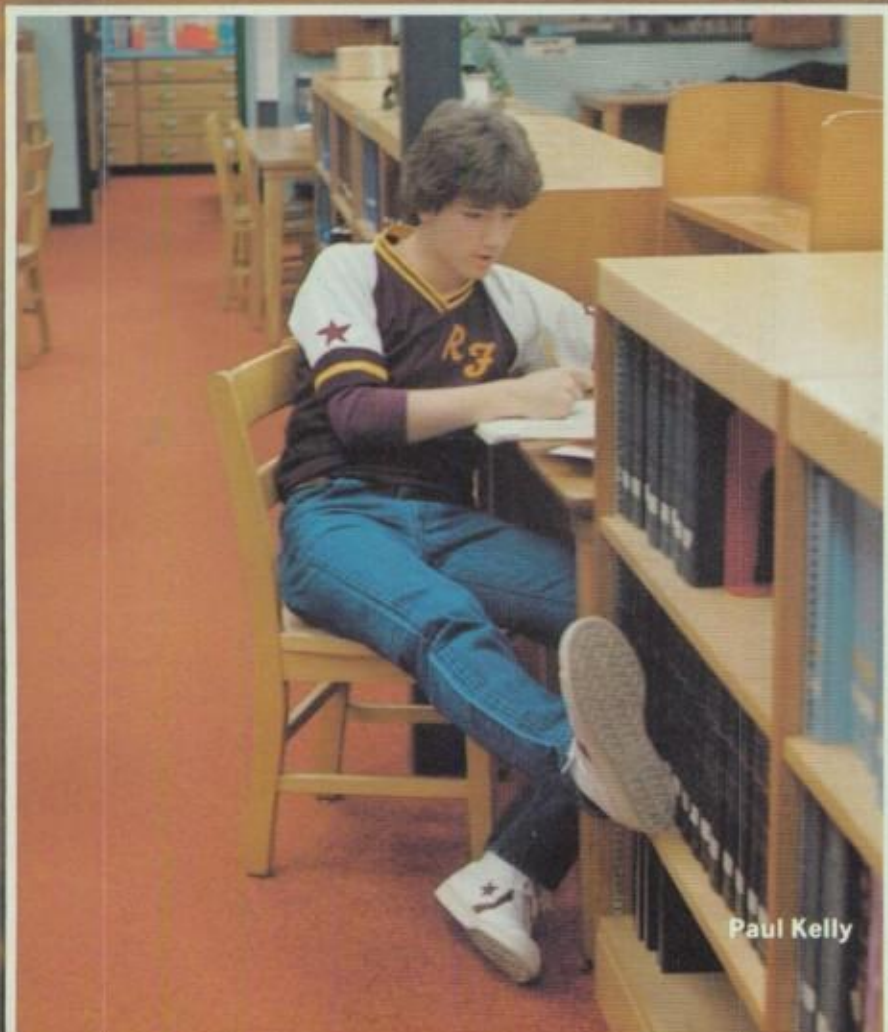

Years spent at Russell High School have been but one puzzle which has carefully been pieced together to help determine individual identities. There will be more puzzles in life, but the one worked on at Russell High School will always be fondly recalled.

Showers Highlight the Activities of Football Homecoming

Rain, rain, rain, and more rain. This was the atmosphere during the weekend of October 23-25, 1981 — Football homecoming weekend. Although the city of Russell experienced inclement weather, the homecoming festivities were still a definite success.

The fun began weeks earlier with everyone making preparations for the big weekend ahead. Student government was in full gear, while each class and a few clubs began working on their floats.

At 6:00 p.m. Thursday, October 23, 1981, several clubs, candidates, floats, and bands could be found lining up on Beth Ann Drive. An hour later the Russell Fire Department led the way for the annual homecoming parade. Immediately following this event, many football fans met at the high school for a combination bonfire/pep rally.

The following night, Friday, October 24, the homecoming floats were once again shown before announcing the winning exhibition. Ranking first in this competition was the National Art Club with the theme of "Make a Little Magic". Placing second was the senior float which advised the Devils to "Skunk 'Em." Juniors took third place with the theme, "Juniors are Movin'

Up".

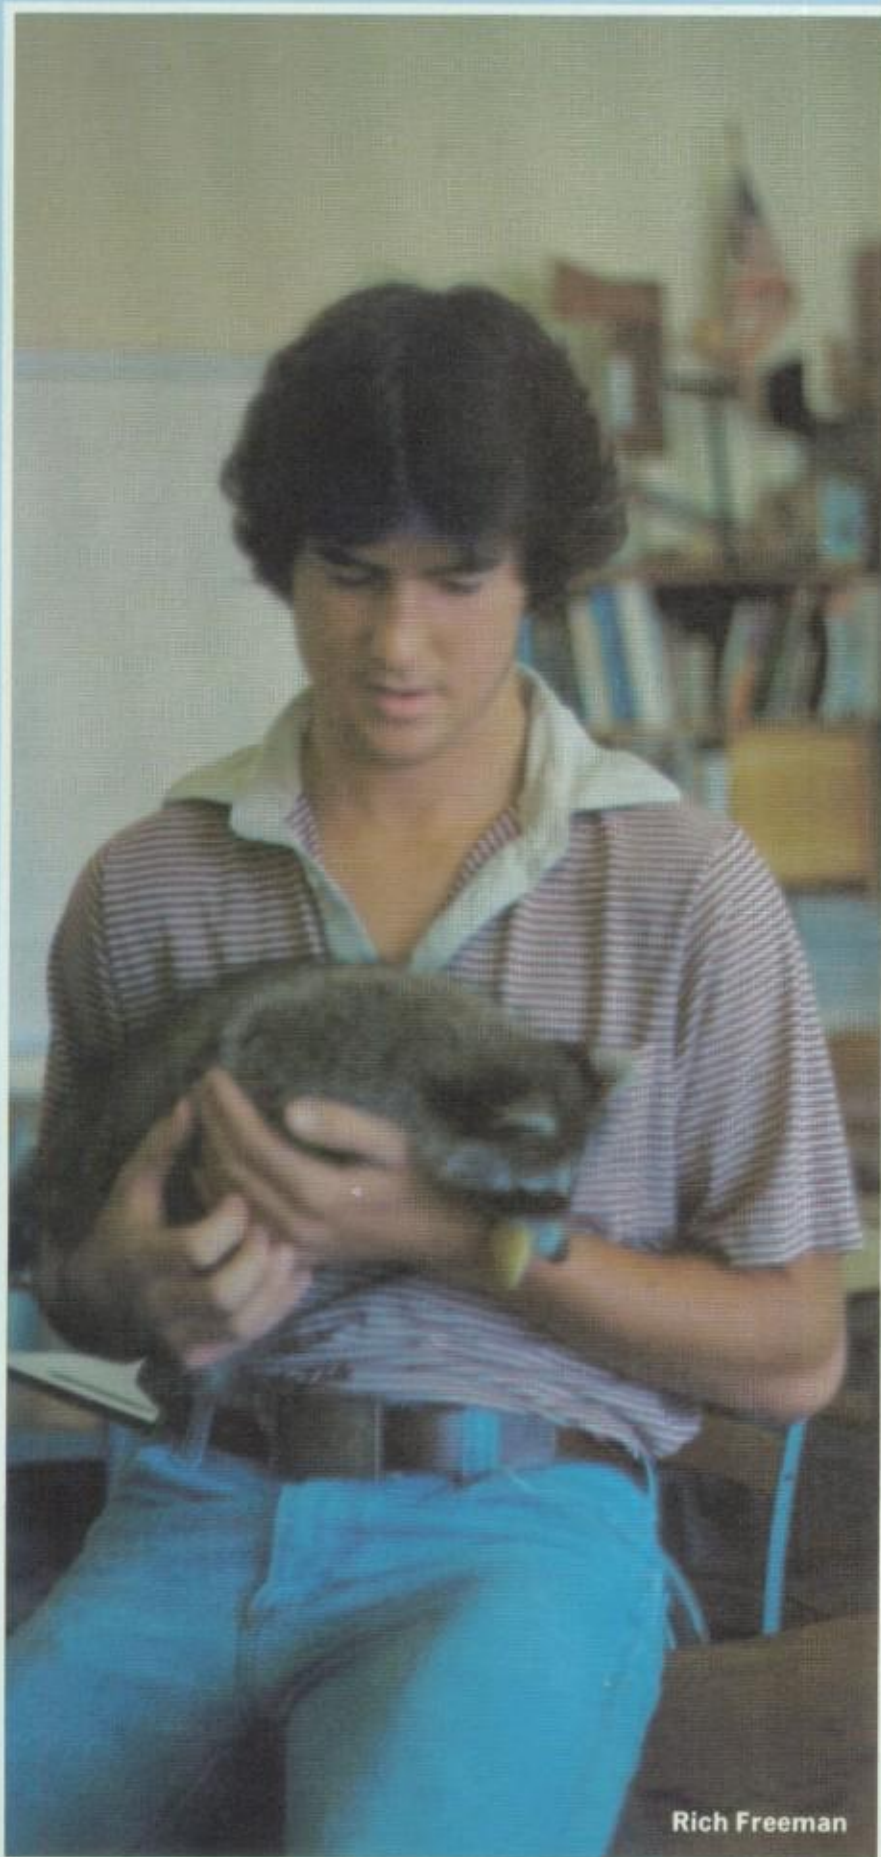

Even though rain was prevailing, numerous Red Devil fans appeared at Henry R. Evans Stadium to see their team in competition with Belfry. They left disappointed for Belfry took charge of the field with a final score of 6-21.

Half-time festivities varied somewhat from the past years as the queen candidates were unable to be driven around the track due to the persistent rain. They were, however, able to be escorted across the field while the band presented their new homecoming show. The girls chosen by the football team as second runners-up were Marty Greene and Allison Wallenfels; first runners-up were Michelle Mellinger and Beth Lynch. The girl chosen as Russell's Homecoming Queen was senior candidate, Susie Secrest.

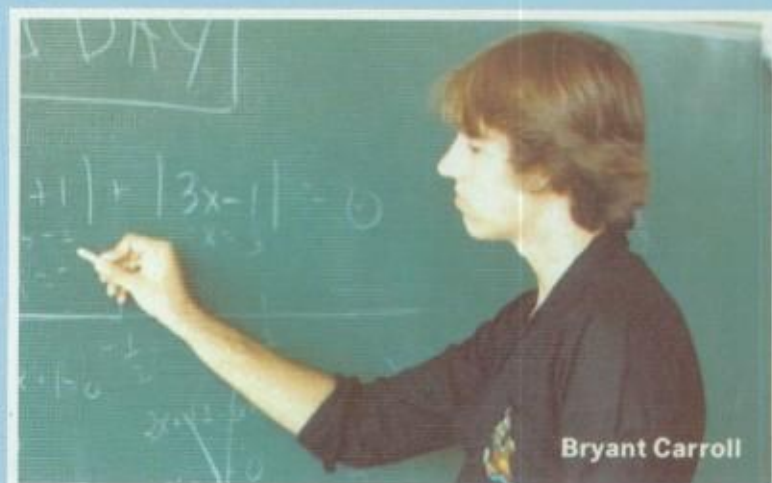

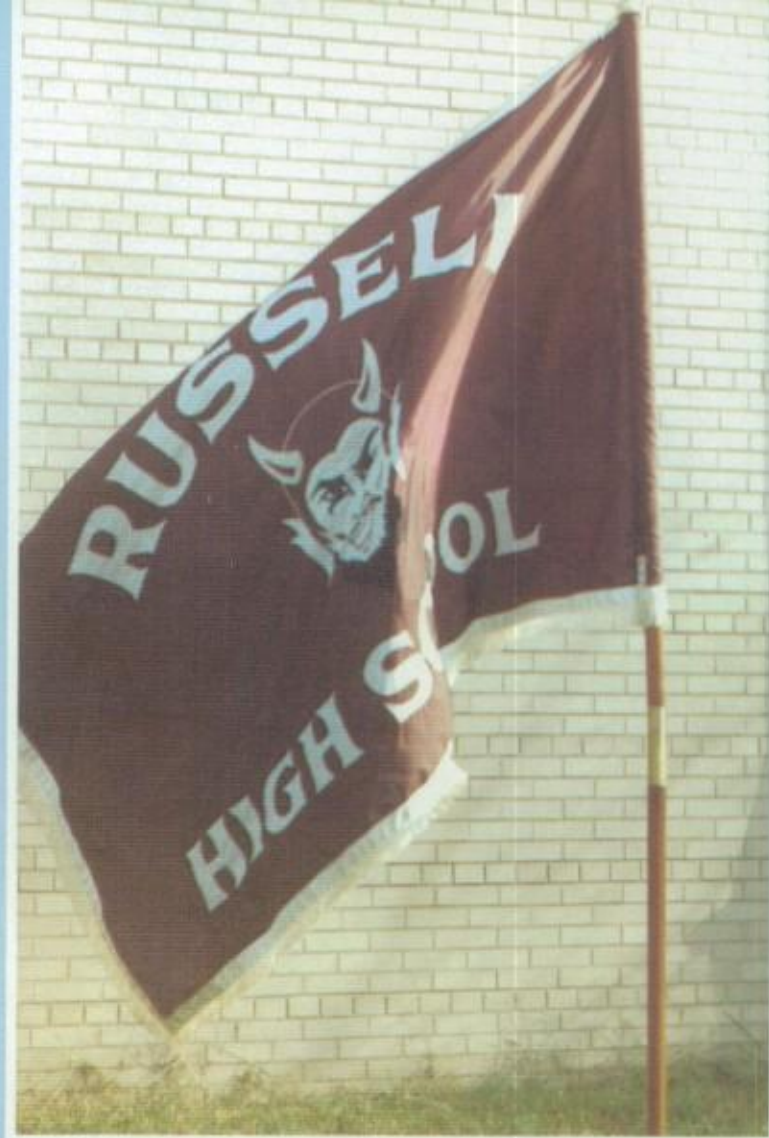

The highlight of the weekend's events was the dance, which was held Saturday night October 25. T.J.'s — D.J.'s provided nonstop music for the festive occasion. At 10:00 p.m. Susan Secrest received roses and was crowned by last year's queen, Annette Savage. The new queen then led her court in the dance which was set aside especially for them.

New Events Compose the 1980-81 Russell School Year

The 1980-81 Russell School Year saw a variety of unique and noteworthy situations which have never before been a part of Russell school life.

We paid tribute to a lady who devoted numerous hours of her time helping others to achieve their goals. Miss Fouts had been a valuable asset to Russell High School history.

Day after day, we stood up to salute the American flag. Doing this became a habit and the true meaning of the Pledge of Allegiance was pushed back from our thoughts.

Students did, however, become fully aware of the importance of be-

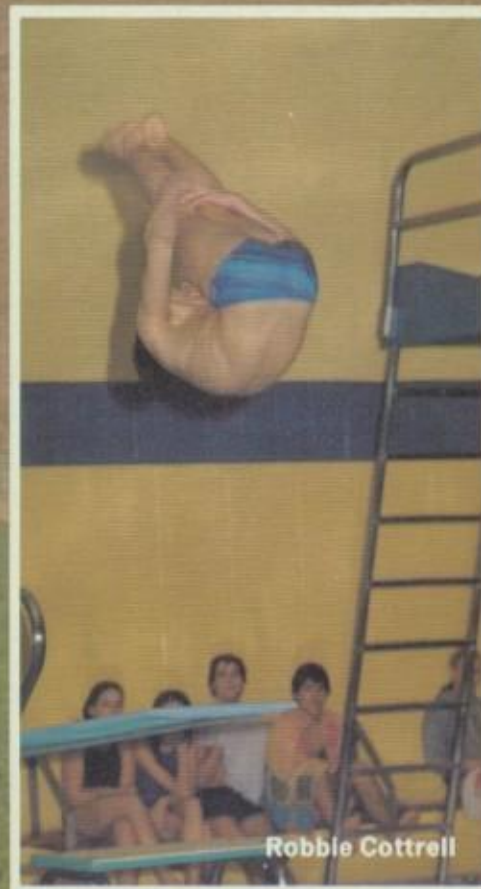

ing an American when they became involved in a patriotic assembly to celebrate the freedom of the 52 American Hostages.

The new ROTC program proudly displayed a glimpse of military life by dressing in uniform one day a week and presenting the colors of our country during various extracurricular and curricular activities.

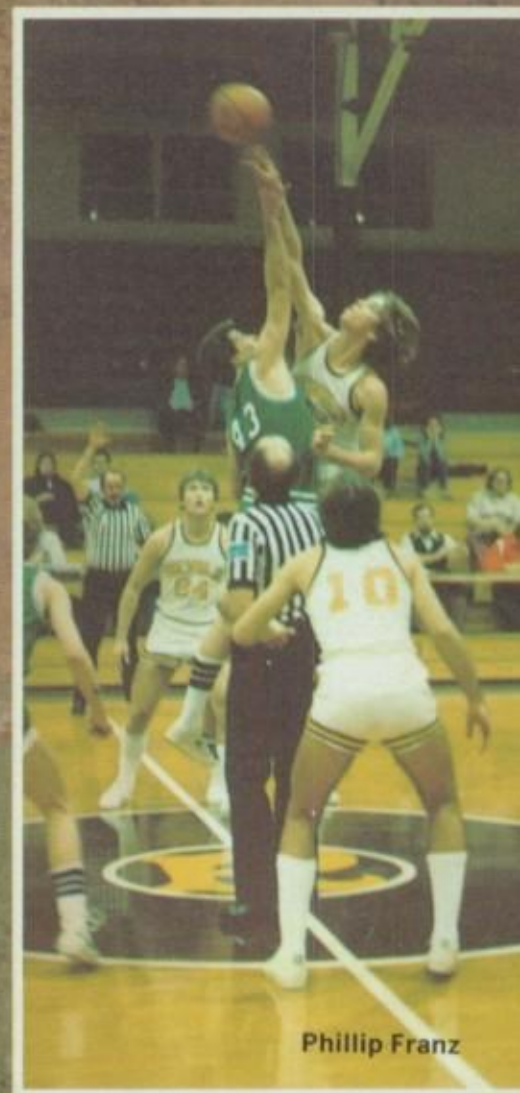

It is only possible to lightly touch upon the events which take place during a school year. Several activities occur, old and new, which all fuse together to make each and every high school year unique and special.

The Russell High School Mixed Chorus presented the Broadway musical, "Hello Dolly," on April 24, 25, in the Russell High Student Union. It was directed by Mrs. Helen Myers and accompanied by an 18 piece orchestra conducted by Mr. Eddie Prichard.

The musical's plot concerned the matchmaker's, Dolly Levi (Kim Dodd), attempts to arrange a second marriage for herself to Mr. Horace Vandergelder (Chip Lewis).

Cornelius Hackl (Mark Stevens), Barnaby Tucker (John Moore), and Ernestine (Jeri Jones) were the main comedian characters.

Theatre Arts Gain Many New

The Theatre Arts group had a very productive year. They attended the state meeting of the Kentucky Theatre Association in Morehead. They entered a cutting from Neil Simon's "Prisoner of Second Avenue" in the competition. Those performing were Janice Akers, Bobby Warne, Leslie Pack, Susan Rose, and Maria Flocker. The stage assistants were Donna Jones and Teresa Ross. The purpose of this state competition was to determine who would represent the state of Kentucky in the South Eastern National Theatre Competition in Daytona Beach, Florida.

The group also presented Christmas programs for Oakmont Manor and Wurtland Manor rest homes and for Wurtland Elementary and the Bluebirds of McDowell Elementary. They presented an Easter program for the First United Methodist Church. The group also had lunch with James Donlon, a professional mime.

This year, the Theatre Arts group performed a canape theatre. It was a highly successful production.

Senior - Freshmen Victorious

The annual Powder Puff Football Game, sponsored by CO-ED-Y, was held on November 3, 1980.

After winning the toss, the sophomore-junior team received the kick-off. Within only minutes the freshmen-senior team was in control of the ball as they scored the first touchdown of the game.

Half-time activities included the parading of candidates around the track and the crowning of the new queen, Kevin Browning. The band provided the music as Karnak's "Korny" jokes provided the comedy.

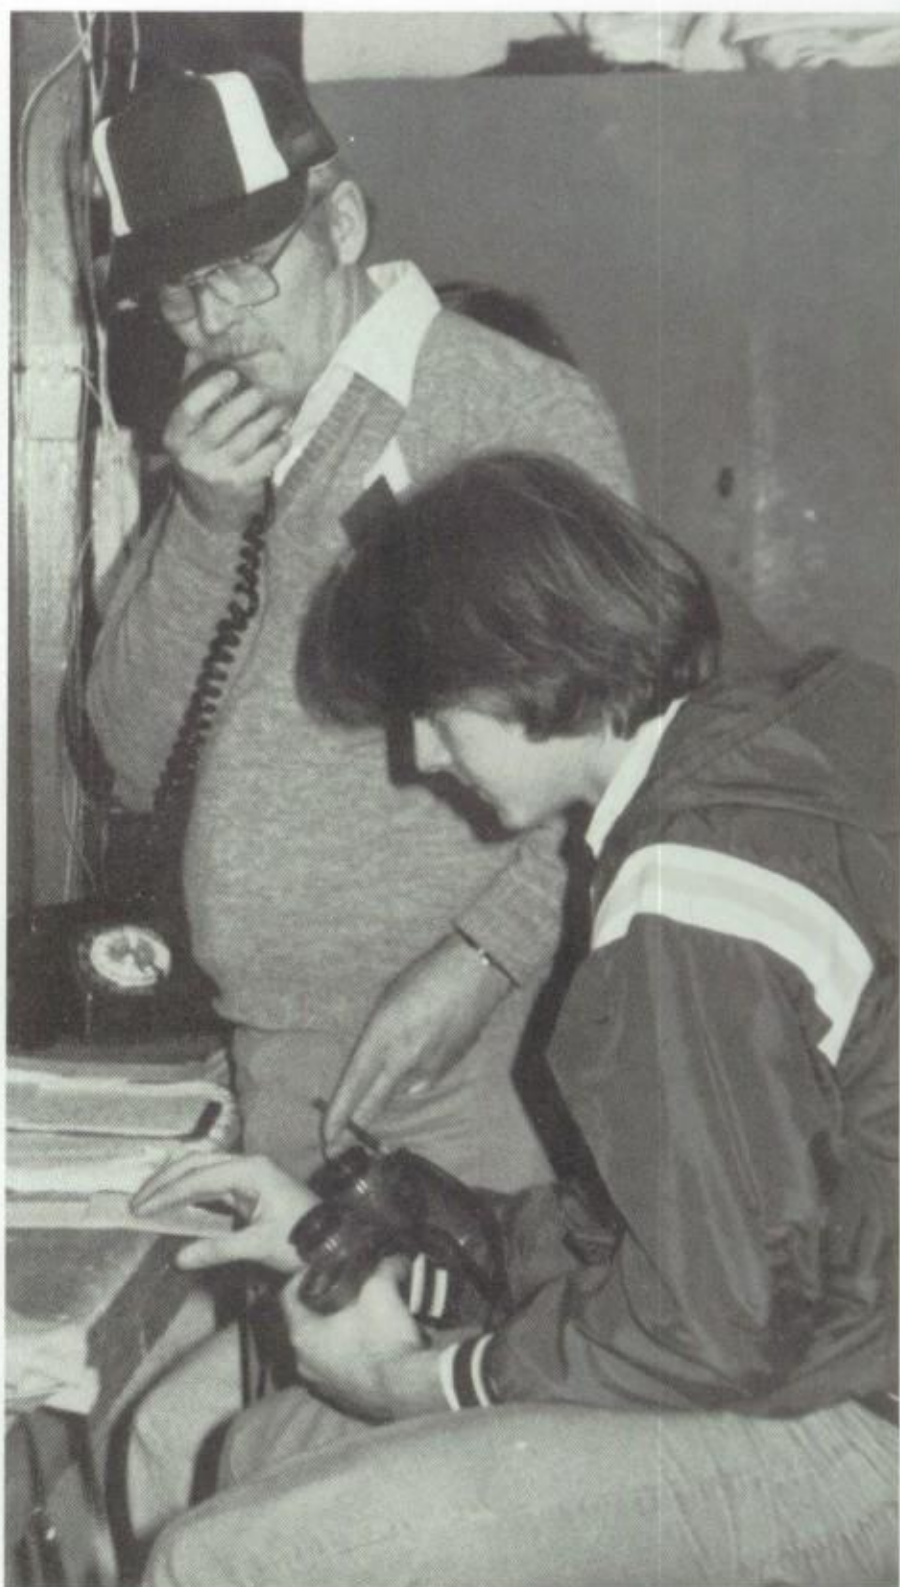

Although the freshman-senior team went into the second half leading by a touchdown, the sophomore-junior team made a quick come back and tied the game. Seconds later the freshman-senior team scored once more making the final score 12-6.

Homecoming Spirits Are High

The 1980 Homecoming festivities, which started October 23 with the traditional parade and bonfire, was dominated by rain. The Art Society won the float competition for best presenting the theme, "Make A Little Magic."

Friday, October 24, brought the Belfry Pirates to Russell. It also brought defeat to the Red Devils. The final score was 21-6.

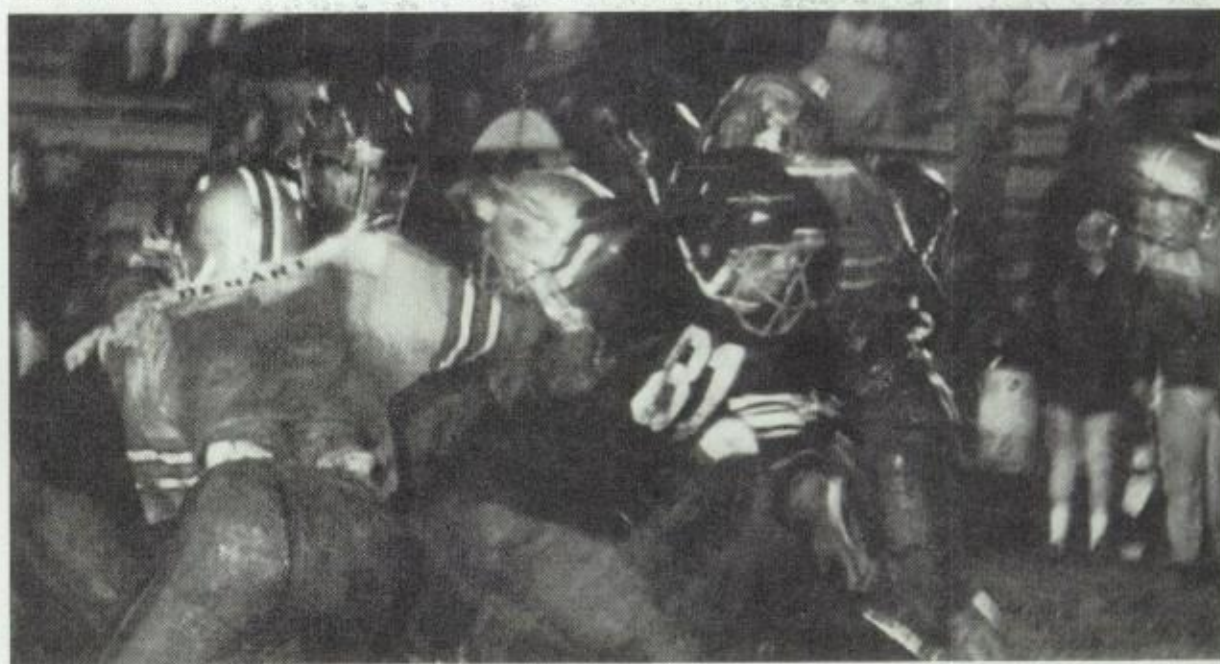

The following night Susie Secrest was crowned homecoming queen at the annual dance, where music was provided by T.J.'s DJ.

Hard Work and Good Ideas Help Make

Saturday evening, February 14, Russell High School was the place for all sweethearts to be. The evening began with a walk down lovers' lane into a room filled with hearts, cupids, and many dancing couples.

The highlight of the evening was when the queen, Kathy Franz, was crowned by Beta Club Vice President, Jeff Firestine.

By 11:00 o'clock p.m. the room was empty. Many decorations were left behind, but the memories will linger with us forever.

50's Day Promotes School Spirit

The 1980-81 50's Day was held on March 5 to promote school spirit and enthusiasm for Russell's first district basketball game against Fairview. The main event of the day was a pep rally in which the cheerleaders led the students in authentic 50's day cheers. Students dressed in poodle skirts, bobby socks, penny loafers, and leather jackets filled the stands.

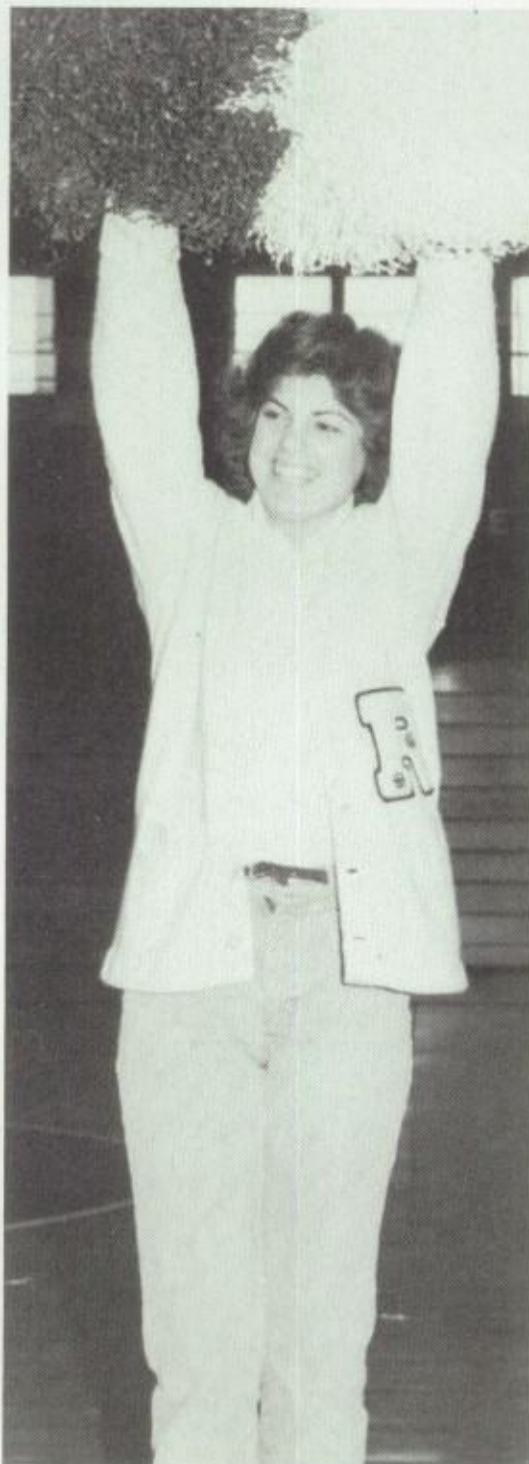

Sondra Mullins wonders if kids got a lot of homework in the 50's, too.

Angie Layne and Suzanna McCarty find their new attire comical.

Mrs. Jones and Raymond Morgan are two of the best-dressed on 50's Day.

Sadie Hawkins Dance Has a Jail

On March 28, from 8 to 11 p.m., the annual Sadie Hawkins Dance was held in the student union. Each table was set with fresh flowers in tin cans, stars were hung from the ceiling, and murals of country scenes were taped to the walls. Couples dressed in overalls, cut off blue jeans, and flannel shirts danced barefoot to the music provided by Bob Lee of WAMX. When someone got tired of their dancing partner, or anyone else's, they could have them sent to jail for a fee of 25¢, where they were guarded by the sheriff, Mr. Blanchard. Marryin Sam, Reverend Jim McKenzie, was present to hitch couples wanting to tie the knot and pose with them for a picture after the ceremony. A surprise hoe-down contest was held in which Esta Castle and Mike Donahue were awarded the winners. The main event of the evening was when Susie Secrest and Eddie Johnston were awarded the honor of being chosen Daisy Mae and Li'l Abner of 1981.

Kelly Ross, Ty Ball, Kelton Mayo, and Kim Haney were just two of the 63 couples hitched by Marryin Sam.

Reminiscing Is a Special

The 1981 Junior-Senior prom was held on Friday, May eighth, from nine p.m. to one a.m. in the Russell high school gymnasium.

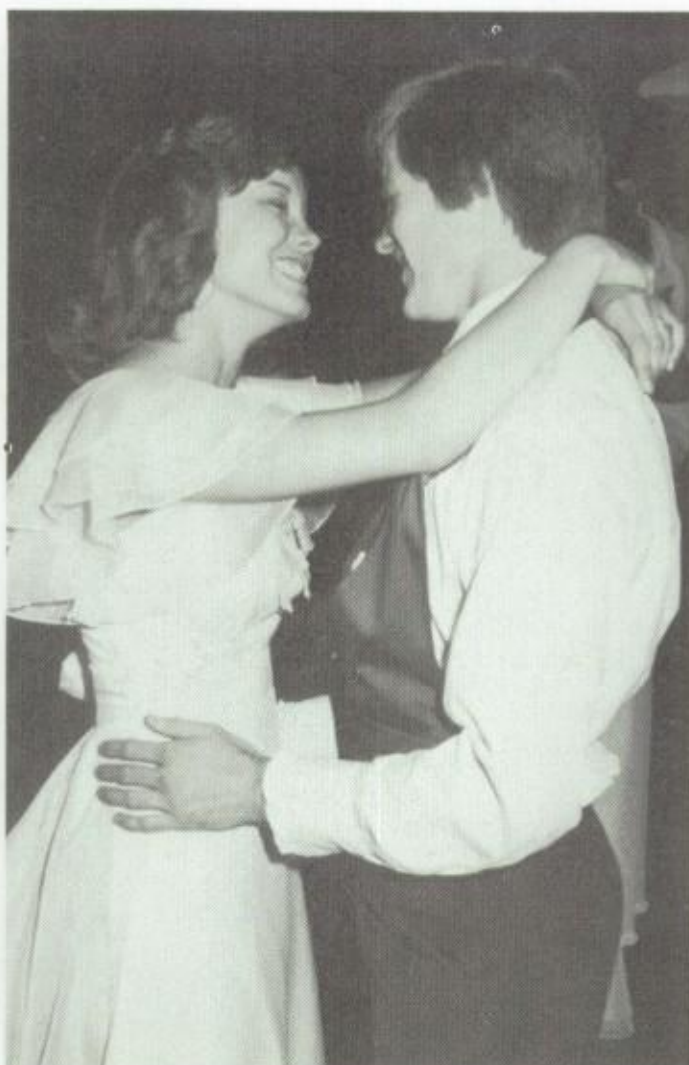

As couples entered, they were announced and given small brandy snifters with the prom's theme, REMINISCING, printed on the side. While many danced to music provided by Xanthus, others rested at tables and were served refreshments by vested waiters.

At midnight the 1981 prom queen, Kim Newman, was crowned by Tony Ross. This was followed by the Queen's dance, in which the attendants were later allowed to join.

For many the 1981 prom proved to be a night to truly reminisce about.

COMPETITORS

An Active Year Proves Successful

The 1980-81 school year was Mrs. Lester's last season as cheerleading sponsor. After six years of service this year's cheerleaders made her more than proud.

The cheerleaders participated in many competitions and placed well in all of them. They received first overall and in pompom routine at Ohio University, placed in top ten at U.C.A. Midwest Regional, and gained superior rank at All-American. Kim Picklesimer, Janet Jones, and Dayna Pergrem qualified to compete in the All-American Scholarship Pageant.

Receiving these honors required much hard work and practice during the summer, after school, and on weekends. Along with competitions the cheerleaders participate in many school activities such as ballgames, pep rallies, parades, and the bonfire.

During football season Andre Duff joined the pep squad to lead the crowd in devil spirit.

Injuries and illness of the starting team hindered them from achieving their goals during the latter part of the season. Although the season record of 14 wins and 12 losses fell short of their goals, it was a season of personal achievements for the team members individually.

Seven Veterans Lead Baseball

Only seven veterans returned to the Russell baseball team for the 1981 season. It was their job to train the rookies and prepare them for the 24 regular season games. The long, tedious hours of hard work and practicing began early in March.

Saturday, March 28, the devils opened their season with a double-header against Rowan County. After winning the first game and losing the second, a trend for the remainder of the season was made. For nearly every game the team won, a losing game would follow. This pattern left the Red Devils with 14 wins, 10 losses, and one tie. According to Coach Clinton Gilbert, "Although our team was full of potential, something just prevented us from coming out on top every time as we had planned. I'm still proud of the boys, though, they tried and that's what counts."

This year, the senior team members were recipients of the given awards, which were as follows: Jeff Allie — Most Valuable Player, Most Homeruns, and Highest Batting Average. Mitch King — Leadership. Mike Meade — RBI's. Todd Minor — Golden Glove. Joe Perry — 110% Award.

The Devils will be starting the season next year without the experience of several graduated team members, yet, they intend to work overtime for the winning season they're each hoping for.

Tennis Program Perseveres

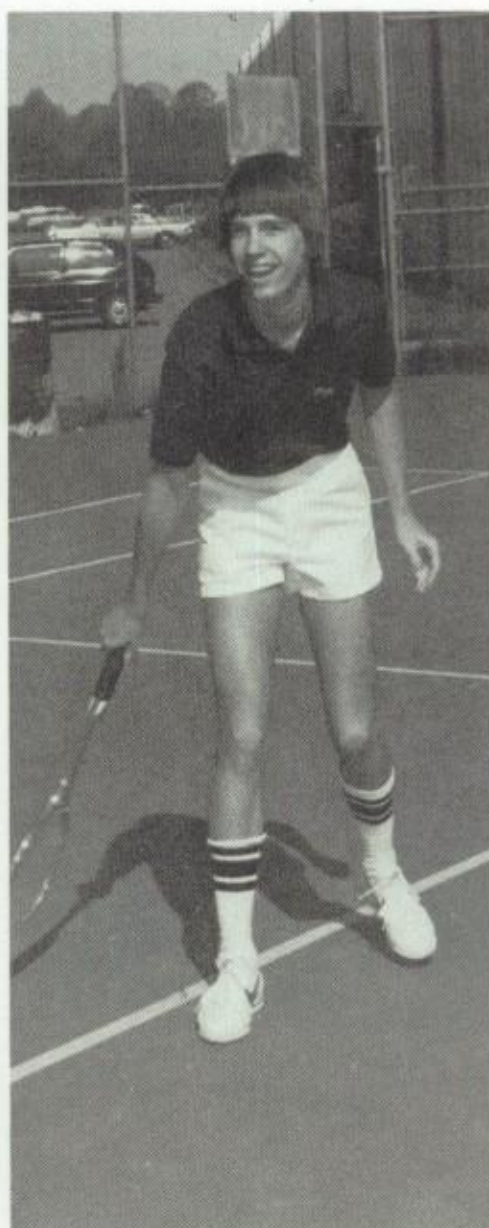

The 1980-81 boys' tennis team finished its regular season with a 1-6 record. The regular playing season was plagued by rain, causing a total of four matches to be cancelled.

Several team members went on to post-season competition. Don Weller advanced to Regionals to become the singles champion. Woody Gearheart also played at Regionals, where he was defeated in the second round of singles competition. Ray Searles and Doug Jones competed in the doubles, where they were defeated by Ashland in the semi-finals.

Russell Golf Places 17th in State

A very young Russell Golf Team made a fine showing during the 1981 season. The team was composed of Rich Freeman, Scott Street, Paul Shockey, Juniors; Dan Curd, Sophomore; and Todd Layne, Matt Ehrie, Freshmen. The team had a regular season record of 6 wins, 3 losses, and 2 ties. The Devils finished second out of 14 teams in the region with Johnson Central winning the regional, both Russell and Johnson Central advanced to the State Tournament at Fort Knox. This makes Russell's tenth time in twelve years to be in the state playoffs: no other team in the state has accomplished this feat. In the state tournament Russell finished in seventeenth place with Rich Freeman firing a two day total of 268, the best score for anyone in our area. Also Russell defeated Johnson Central, the Regional-winner, by 20 strokes.

Next year could be a banner year for Russell, as everyone returns.

Rich Freeman scored highest in the area at the state tournament.

Russell Marching Band Receives

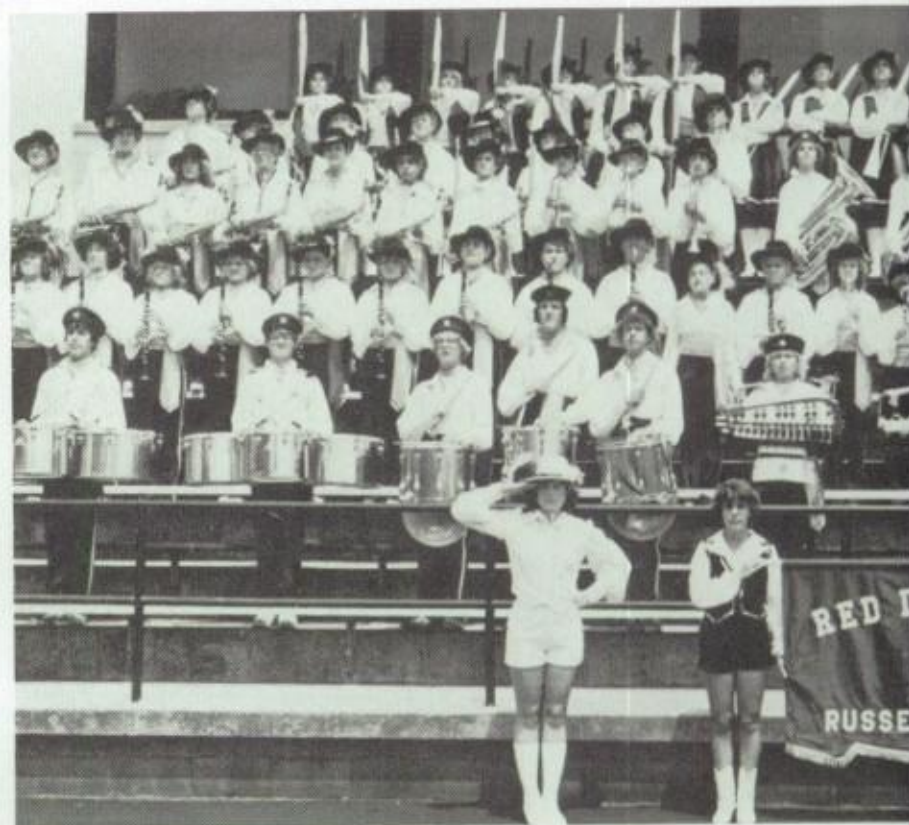

The Russell High School Band had its third successful year under the direction of Mr. Eddie Prichard. The year began with a week at Morehead University for band camp. The Russell marching band participated in many parades, ball games and contests. It was an exciting year for the band because of the many awards they received. Some of the awards received were: 2nd place and best flags — Vinson Marching Band Festival; 1st place and best auxiliary Class AAA Small — Eastern Ky. Marching Band Festival; 1st place and Grand Champion — Greenup Co. Old Fashioned Days Marching Festival.

The Russell Band is a very versatile band. Russell has always had a pep band but because of the increasing number of band members, they were able to have two pep bands. They played at all girls' and boys' home basketball games. Another feature of the Russell Band is the Jazz Ensemble. They covered all types of jazz and commercial music and played at various school functions.

Finishing up the year was the big Concert Band trip to Atlanta, Georgia, where they competed with many other concert bands from different states. In this competition the RHS Band received a rating of excellent.

Individual Awards won:

110% Award — Rita Manning
Most Improved — Denise Adkins
Best Freshman — Brenda Eagleston
Best Sophomore — Bill Young
Best Junior — Paula Muncy
John Philip Sousa Award — Mary Friedlieb

Chorus Wins Honors

The 1980-81 school year was an active one for Chorus. Early in the year a swimming party was held and later a hay ride was held at Grayson. Another party was held in the spring to complete the year. Although, the chorus had an enjoyable year, it was also one of hard work. December was spent practicing and filming the Christmas program at WOWK. Since that time 25 students participated in the Paramount Festival, 20 students in the Morehead Music Festival, and 4 students made All State through state wide auditions. Also, the chorus sang for almost every service club in the tri-state area.

In April the Broadway Show, "Hello Dolly", was presented after much dedication by all the members.

The closing activity of the year was participation in graduation.

High-Q and Mock U.N. Excel

HIGH-Q

The 1980-81 R.H.S. "High-Q" team had an outstanding year. They had many hours of study and preparation for tough competition. All of the long hours paid off in the second game of the season when they broke their own record for most points in a game. The team advanced to the semi-finals where they were defeated.

The game is a question and answer contest that is similar to the "College Bowl", but is based on a high school level.

The High-Q" team was under the leadership of Mrs. Dickerson.

JA and Close-Up Enrich R.H.S.

CLOSE-UP PARTICIPANTS: Jamie Sammons, Laura Franklin, Mark Brown, and Angela Dunfee.

CLOSE-UP

Mr. Grady Walter and four students participated in the 1981 Close-Up program.

They spent a week in Washington D.C. attending seminars on controversial subjects such as gun control and defense programs. Group workshops were set up where participants were given a problem that Congress might be faced with, and they were to solve it to the best of their abilities.

During the week they had a chance to do a little sightseeing. They visited the Capitol, Pentagon, several monuments, and 5-Star Brigadier General Omar Bradley's grave site. Mr. Walter saw General Bradley's funeral procession.

On Friday a banquet and dance was held for the participants.

JA

JA members learned all about the aspects of big business. Local businesses sent representatives to guide the members in the forming and operating of their companies.

The members formed companies and sold stock. The stock was sold to gain capital in order to purchase materials for the production of their products. The products were sold at the Trade-Fair. After the products were sold, the members used the money to pay the stockholders their dividends, to pay unpaid bills, and to pay the workers.

The 1980-81 JA program lasted for 36 weeks in which the companies met once a week.

A JA banquet was held in April.

Student Government Provides a

A very important piece of Russell High School is Student Government. This organization is the means by which all students are able to express their ideas and opinions to the administration. Jerry Klaiber is the sponsor of Student Government, and this year he was aided by four capable officers.

The 1980-1981 school year kept both the members and officers of Student Government extremely busy. Immediately after class officers and representatives were chosen, the club began working on the activities of football homecoming, which was held October 23-25.

Although football homecoming is Student Government's biggest project of the year, the group also instigated several other events. Some of these various activities included the editing of a new Devil's Book, the Christmas movie, and a jump-a-thon for the American Heart Fund.

As a general rule, Student Government uses a large portion of the money they earn throughout the year to purchase something that they feel would benefit the whole student body. Last year, 1980, the club purchased the new mat in front of the school doors.

This year Student Government purchased a sound system which could be used by everyone in the future.

FBLA Members Reach Out to

The 1980-1981 FBLA school year began with a get acquainted picnic to introduce the members to the club creed. The fund raising idea of Kit-N-Kaboodle was accepted, and work began to strengthen the club finances.

In November the club adopted a local family and provided food, clothes, and monetary assistance through the holiday season.

The annual National FBLA Week was sponsored and promoted in February. An activity was planned each day, including a poster contest and an appreciation day for the basketball teams.

With March came Region 5 Conference in Morehead. Round-off tests were conducted to determine who would represent Russell in individual events. Russell claimed three chapter awards and eight individual awards. Chris Locey received two scholarships, and Kim Parsley was elected as the 1981-1982 Region 5 Reporter. FHA/HERO Is Always on the Go

The FHA/HERO chapter for 1980-81, sponsored by Mrs. Ann Upchurch and Mrs. Carol Allen, started off their busy year with a membership drive and cook-out. On October 7, newly installed officers were installed in a beautiful ceremony by FHA/HERO officers from visiting Mason County High School. During the Christmas season, club members attended a potluck family banquet.

During National FHA/HERO Vocational Education Week, the FHA members gave up their study halls to help their teachers, hosted a guest speaker from Midway College, served refreshments at the Teacher's Reception, spoke to the eighth grade Practical Arts students about the home economics program, were "Secret Pals" to the faculty, and coordinated the Varsity Sports Luncheon.

Other activities the club members participated in were: the Cerebral Palsy School in Ashland, serving refreshments on Parent's Night, taking a large fruit basket to the Wurtland Manor Rest Home, and sponsoring Spirit Week during the Homecoming Festivities.

The month of March was an especially pleasing one for the chapter. The club sponsored the annual Sadie Hawkins Dance, which was very successful. Also, chapter president, Kathy Carr was elected to the office of regional president. Kathy is the first regional officer from Russell.

Journalism Provides Lasting Souvenirs

The 1980-81 Revilonian staff consisted of eleven members — five seniors, three juniors, three sophomores and one faculty advisor, Mrs. Watson. The editors met before school had started and decided on the Revilonian's theme of "Fitting the Pieces Together." The book was then layed out and divided into sections. Each staff member received a number of pages to be done on their own, any way they wanted to, as long as they followed Mrs. Watson's rules of "good journalism". In order for the Revilonian to be back by September, the staff worked on it during the summer. During the pressure-filled days before deadlines were due, many tempers flared and many tears were shed, but the end result was worth the pain.

Golden Years of Dedicated Service

When Miss Fouts first came to Russell, fifty years ago, she taught English and American literature. Since that time she has been a sponsor and supporter of many different clubs and activities. Miss Fouts was Russell High School's first librarian, first yearbook advisor, first senior sponsor, and the first to organize and sponsor the Beta Club.

When Miss Fouts is not participating in some school activity, she can be found devoting her time to church activities, civic activities, or a professional organization.

Miss Fouts has had many honors conferred on her during her lifetime. During her senior year at the University of Kentucky, in 1931, she was named "Miss Kentucky" by the governor and sent as "Princess" and "Ambassador of Goodwill" to the Virginia Apple Blossom Festival in Winchester. There she was honored at a garden party hosted by Admiral Byrd. She was once selected to be Maid of Honor at the University of Kentucky's May Day festivities, and nominated for Summer Prom Queen at the University of Illinois.

Today she is just as beautiful as she was then, if not more so. She is loved by many and will always be remembered by all who have had the honor of knowing her.

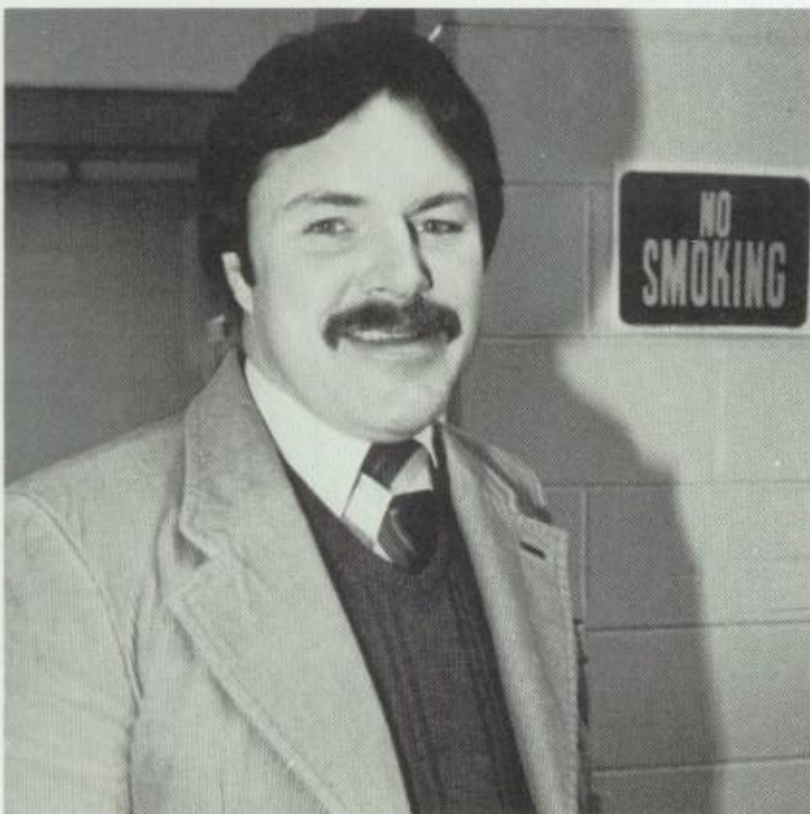

As I look forward to retirement, I realize and believe that:
I am an heiress — I may not have material possessions, but
I am rich in God's love and his blessings,
I am rich in friends, and
I am rich in memories.

— Miss Numia Lee Fouts

The Class of 1981 Moves On

All graduating seniors were to meet in the student union no later than 6:45 p.m. Thursday, May 21, 1981, to prepare for the 63rd annual combined Baccalaureate-Commencement program.

The class processional began promptly at 8:00 p.m. and the 231 soon-to-be graduates were led in by the staff and faculty of Russell High School.

Senior president, Matt Wright, and vice-president, Larry LaBrie, presided over the graduation ceremony. Speaking parts were given to honor students, Susan Secrest, Matt Kearns, Keith Jerome, Lisa Church, and Steve McGuire. Reverend O. M. Miller gave the Baccalaureate address. The 1981 Valedictorian, Janice Mueller and Salutatorian, Dan Watson, addressed the audience with honor speeches.

After the class recessional, the graduates remained at RHS for a short while to spend a few sentimental moments with teachers, friends, and loved ones. From there, they each went their separate ways to celebrate after a most memorable evening.

Miss Fouts makes a special tribute as she graduates from Russell High after 50 years of service.

"I just can't remember whether it goes on the left or on the right!" exclaims Kathy Highlander.

Carolyn Carter and Readith Pennington are amazed by how swiftly the years passed by.

Janice Connor and Jon Fout reminisce about old times.

Senior president, Matt Wright, embraces friends Kelly Eggleston and Jennell Geis.

Left: Rita Manning plays her clarinet with the Russell High band for the last time.

The 1981 Valedictorian, Janice Mueller, addresses fellow graduates and friends.

From Transylvania's Admissions Staff

Transylvania University was founded 200 years ago by early Kentucky settlers who wanted to establish a center for culture and education on the frontier.

Many famous Americans such as Stephen Austin, Jefferson Davis, and John C. Breckinridge attended Transylvania. Henry Clay taught law and served on the University's governing board.

Today, Transy is a four-year, fully accredited liberal arts college with an enrollment of nearly 800. Students receive a well-rounded, high quality education. Successful Transy graduates can be found in every walk of life.

"Family Cleaning at Family Prices"

4 1/4 million Americans were 18 this year.

Every year, Armco helps some young people start developing skills in new jobs. These jobs are created by reinvesting profits in equipment and plants. In fact, at Armco in 1976, it cost about \$55,600 to make one new job. When profits are lean, opportunities for new jobs are leaner, too. So when you hear people putting down profits, remember they are also putting down the job you would like to have. Speak up for it!
